A New Planning Application 11/00308/FULL was submitted by John Stewart from Langraw Farm for a grain store. It has been re sited away from the main A915 road. The previous application 10/01540/FULL had been withdrawn due to questions about its proximity to the main road. Peter Jerome visited the site, had discussions with Mr Stewart regarding the new location of the grain store and made some suggestions with regard to using the burn running close by to generate electricity for the grain store. The CC voted in favour of supporting the new application and the Chairman was asked to advise the Development Services accordingly.
